

EMERGENCY MEDICAL TECHNICIAN COURSE

Dear Prospective EMT Student –

Thank you for your interest in the Rocky Mountain Resuscitation, LLC® Emergency Medical Technician (EMT) Course. The intention of the EMT certification program is to train an individual to function independently in a medical emergency. The course provides the basic knowledge and skills needed to deliver Basic Life Support (BLS) care and is required to progress to more advanced levels of prehospital patient care. This is a fun class, but it does require time and commitment both in and out of class.

The course requires a minimum of 150 hours of classroom and skills instruction and Clinical/Field rotations. For these rotations, you will need to ride an ambulance to obtain no less than ten (10) patient contacts. This course is setup to train individuals to serve as a vital link in the chain of the health care team. This includes all skills necessary to provide emergency medical care as an attendant-in-charge (AIC) on a BLS ambulance. This course requires students to bring a laptop/iPad/tablet to class and to be knowledgeable on using as students will be using electronic devices access the book electronically, Learning Management System (LMS) and cognitive testing.

Eligibility to attend an Emergency Medical Technician course in Virginia requires that you must:

- (1) Be proficient in reading, writing and speaking the English language.
- (2) Be a minimum of 16 years of age at the ending date of the certification course. If less than 18 years of age, you must provide the course coordinator with a completed parental permission form with the signature of a parent or guardian verifying approval for enrollment in the course.
- (3) Have no physical or mental impairment that would render them unable to perform all cognitive and psychomotor skills required for that level of certification.
- (4) Hold current certification in an Office of Emergency Medical Services approved Cardiopulmonary Resuscitation (CPR) course at the beginning date of the course. This certification must also be current at the time of state testing. You will be required to send in a copy of your CPR card with your application to ensure that it meets our requirements. If it does not or you do not have a card, you can take the class we provide.

The majority of the classes will be at Rocky Mountain Resuscitation, LLC located at 420 Hudgins Rd, Suite 217, Fredericksburg, VA 22408.

Classes take place on Tuesday, Thursdays and every other Saturdays (the schedule is below). Topic schedule may change, but the dates will remain. The start times is 6pm.

We will offer a CPR Course on Saturday 28JUN25 starting at 0900 until complete. If you are unable to attend our dates, you can take a course from another source but must bring a valid card the first day of class 08JUL25. If you need help finding an alternate CPR class, please let me know. If we have many conflicts, we will consider offering a second option. Just communicate if you need a class as soon as possible.

The cost for the course is \$1200 is due in full on Tuesday 08JUL25. This cost includes electronic textbook, CPR certification, initial testing fees, blood pressure cuff and stethoscope. This fee will be due on the first night of EMT class and you can pay via credit card, cash, Venmo, or check made out to Rocky Mountain Resuscitation.

You will need to have access to a laptop/iPad/tablet for this to access your textbook, homework, quizzes, etc. You must have ample time to study and practice outside of class to be successful.

You are required to attend an informal interview. The informal interview (more of a meet and greet) will be Saturday 28JUN25, the same day as CPR class. If you also need CPR your interview will be conducted after class. If this date does not work for you, we can schedule another day/time. Just communicate if you need another date for the interview as soon as possible. The attached schedule is the tentative days/subjects.

E-mail your applications to the course coordinator at lance@rockymountainresus.com. Anyone registering for this class must submit an application. If you do not have the capability to e-mail the application, please take a picture and text it to the below number. If you should have any questions, please feel free to contact the course coordinator listed below via email or text. If you need to talk or meet, please text the request and we will get something scheduled. By or before 1800 on 28JUN25 you will be notified if you are accepted into EMT class.

EMT COURSE APPLICATION

Full Name:

Address: _____

Phone #: _____

Date of Birth (must be 16 on last day class): _____

Member of an agency? YES / NO

If YES which one? _____

Email: _____

County of Residence:

Mandatory short meet and greet with instructors.

___ SAT 28JUN25–time will be scheduled once application is received

___ Unable to attend reason and available dates:

Do you have current certification in one of the listed CPR courses?

Yes ___ If yes, attach a copy of your card to your application (Must be valid through NOV25)

No ___ If no, please check which class you will attend:

___ SAT 28JUN25– 9AM until completion

___ Need class, but cannot make 28JUN25

Please Answer:

Why do you want to take the NREMT class?

Will you have time to study outside of class? Do you have time to practice outside of class hours?

What do you intend to do with your NREMT Certification? Interested in volunteering?

You are required to bring a tablet, iPad or laptop to class.

Have you used a Learning Management System (LMS) such as CANVAS?

My signature above certifies that I meet the minimum requirements listed on the information sheet.

Class Rules

1. All laptops, iPads and/or tablets should have the volume muted and only be used for class related purposes and not become a distraction. You should not be using cell to text during class, if you must take a call please step out quietly. Cell phones shall be on silent.
2. Students will dress appropriately for class, wearing clothing that allows the student to perform practical exercises while not being a distraction to fellow students. Uniform will be required – EMS pants/student shirt this will be discussed the first night of class and implemented 2 weeks post first day of class.
3. During lecture/field/clinical shifts, the student must wear the issued uniform, to include closed toe shoes, dark slacks (NO JEANS) and the issued uniform shirt will be worn at all times. While on a roadway during field shifts, a reflective vest indicating the student's status shall be worn at all times.
4. No disruptive behavior will be allowed. If disruptive behavior continues, student will be recommended for additional disciplinary actions up to removal from the program.
5. All students will remain respectful of all students and instructors.
6. Active participation by all class members is expected in all aspects of lecture discussion and psychomotor sessions. Subject/Topic matter related questions are encouraged.
7. You are expected to arrive to class on time. Anyone arriving more than 20 minutes late is considered absent from class.

Night Classes begin at 6pm-9:30pm

Day Classes begin at 9am-4pm

****** Any Classes deviating from this standard will be indicated as such in the course schedule.**

8. Missed classes (tardy and absences) may not exceed more than 10% in class course hours (15 hours).
9. An overall 75% average and instructors' approval must be obtained in order to qualify to sit for the Certification Examination.
10. If a student receives a failing score on an exam, the student can have one attempt at retest scheduled prior to the next class date. If the re-test is failed, then a remediation packet will be required to be completed to demonstrate a satisfactory understanding of the tested material. This remediation will only be offered twice. Should a third exam be double failed, the student will be recommended for removal from the program.
11. If a remediation packet is found to not demonstrate a satisfactory understanding of the material as decided by the reviewing panel, the student will be recommended for removal from the program.
12. Anyone who falsifies information or is found to be cheating the student will be immediately removed from the program.
13. All classes will be held at Rocky Mountain Resuscitation, LLC unless otherwise specified.
14. Textbooks and course materials:
Each student is expected to report to class with:
 - Textbook (eBook or hard copy)
 - Medium for note taking (electronic or paper)
 - Writing implement and watch (with a second hand)
 - Stethoscope and BP Cuff
15. This is a fun class, but it does require time outside of class studying and practicing. Study groups are strongly encouraged.
